## Comments from the Chair

As we wind down another academic year, wind up for our next KLS meeting. The change in date is to accommodate our speaker when a family emergency had him travelling to Ghana during our proposed April 22<sup>nd</sup> meeting. Dr. Darko will be speaking about his organic research and the graduate program at UT Knoxville. Fresh Market is an excellent venue, so join us for an enriching presentation, food, and merriment. ~ Dr. Abigail Shelton, Chair
