The price is \$10 (Students \$5)

Program: Fun, Games, and Fellowship with a bit of business mixed in

The park features a playground, horseshoe pits, disc golf course,
soccer fields, and plenty of room to roam.

Comments from the Chair

An exciting time is upon us. Please join us for our annual August picnic at Murray as we celebrate our section -- we are proud to announce that our section has been selected as a finalist for the following four ChemLuminary Awards: Best Activity or Program Stimulating Member Involvement, Most Innovative New Activity or Program, Outstanding Performance by a Local Section (Small Size), and Fostering Interactions between Local Sections and Student Chapters.

The Kids' Science Center will be tie-dying t-shirts, using a dye kit that does not require soaking, just pre-wash the shirts. All are welcome to bring a shirt to dye. We also anticipate a competitive, yet friendly game of kickball. I challenge you to bring a colleague or friend to the meeting.

Eat. Dye a shirt. Don't die playing kickball. Have a wonderful time.

~ Dr. Abigail Shelton, Chair
