## Comments from the Chair

Greetings! This year's National Chemistry Week theme is "Solving Mysteries Through Chemistry," showcasing forensics chemistry. We will have dinner and our business meeting at 6:00 in the conference room adjacent to the Skyhawk Café in the UTM University Center. On the meeting agenda this month are our upcoming section officer elections and nominations for outstanding teacher and student awards.

Then follow the clues to the Humanities Auditorium for the National Chemistry Week demonstrations by the students!

Note – parking is available next to the University Center or the Johnson EPS Building (which houses the UTM Chemistry and Physics Department). A parking pass can also be obtained at Crisp Hall if you arrive earlier than 5:00.

~Abigail Shelton, Chair
