Assistant Professor, Murray State University

## Science Center for the Kids: Solving Mysteries through Chemistry

### Comments from the Chair

We end our year with a celebration of our section -- the November meeting will be honoring people within our section with well-earned awards as well as hearing about one of our newest members. Since this is my final address as your Chair, I wish to thank you for the opportunity to serve you. Thank you for the support you have given your section. It is your participation that makes our section outstanding, and I look forward to serving with you for years to come. ~ Dr. Abigail Shelton, Chair
